ARCADIA QUICK-SHIP PROGRAM

Arcadia is dedicated to exceeding customer needs through innovative product design, quality manufacturing and excellent value. With an average lead-time of six weeks, and a proven track record of expediting orders to meet project requirements, Arcadia is committed to delivering satisfaction at every turn. And now, that satisfaction can be experienced even sooner with the Quick-Ship Program.

Featuring a broad range of products that are available to ship within ten (10) business days*, the Quick-Ship Program easily provides seating and table solutions for immediate project requirements across diverse markets. And, to simplify the ordering of products and fabrics at one time, a host of versatile Quick-Ship fabric options, in addition to Arcadia's signature L-1-3 Black leather, are available to choose from (refer to the Quick-Ship fabric card to make your selection).

Should aesthetic requirements or preferences prevail, the convenience of Customer's Own Material (COM) is also accepted to further expand the flexibility of choice.

The Quick-Ship Program offers options beyond upholstery and into finishes as well. All products are offered in an assortment of standard wood, laminate, Corian® and metal finishes, as applicable. And, in keeping with Arcadia's commitment to quality and value, all Quick-Ship products carry a ten (10) year warranty.

For additional product information, complete terms and conditions, warranty information and pricing, please refer to Arcadia's Master Price List.

*10-day manufacturing program begins upon approval of purchase order. For orders specified with COM, 10-day manufacturing begins upon receipt of fabric. No minimum quantities are required, however, please observe maximums where noted. Quick-Ship purchase orders should be designated as such and must be placed separately from standard lead-time purchase orders. No split purchase orders allowed.
